

President Is Meeting With Top Advisors At Camp David

President Eisenhower left his farm shortly after one o'clock today by car to reside at a National Security Council meeting scheduled for 2:30 p.m. at Laurel Lodge, Camp David, near Thurmont, Md. The President was accompanied by Allan Dulles, chief of the Central Intelligence Agency, and Col. Andrew Goodpastor, White House staff secretary. Today's meeting marked the President's first session with the NSC since before his September 24 heart attack.

Dictates Letters

The President spent part of the morning dictating letters at his office in the local post office where he arrived about 9:45 o'clock.

Mrs. Eisenhower left the farm a short time before that for Washington where she planned to remain overnight attending to some house-keeping duties at the White House.

Following the meeting with the NSC, the President will remain at Camp David overnight for a Tuesday meeting at 9 o'clock with his Cabinet which some of the NSC members will attend.

The National Security Council consists of the President, Vice President, Secretary of State, Secretary of Defense, Secretary of the Atomic Energy Commission, Theodore C. Stuebner, director of the United States Information Agency, Harold Stassen, assistant to the President on disarmament matters; Under Secretary of State, Herbert Hoover Jr., and John Hollister, director of the International Co-operation Administration.

A long list of top presidential advisors will sit in on today's session. They will include Secretary of the Treasury George M. Humphrey, Attorney General Herbert Brownell Jr., Budget Director Rowland R. Hughes, Lewis L. Strauss, chairman of the Atomic Energy Commission; Theodore C. Stuebner, director of the United States Information Agency; Harold Stassen, assistant to the President on disarmament matters; Under Secretary of State, Herbert Hoover Jr., and John Hollister, director of the International Co-operation Administration.

Military Chiefs Due

Also Gen. Nathan Twining, Air Force Chief of Staff, representing Adm. Arthur W. Radford, chairman of the Joint Chiefs of Staff; Allen W. Dulles, director of the Central Intelligence Agency; Assistant Secretary of State Robert R. Bowie; Dillon Anderson, Presidential Assistant for security affairs; Joseph M. Dodge, White House assistant on foreign economic policy; Nelson Rockefeller, presidential assistant for psychological strategy planning; Col. Andrew Goodpastor, secretary of the White House staff; James S. Lay Jr., executive secretary of the NSC, and his deputy, S. Everett Gleason, and Sherman Adams, President Eisenhower's chief assistant.

In addition to its members, the Cabinet meeting will be attended by Flemming, Hughes, Stassen, Col. Goodpastor, Hagerty and Adams. The historic—but secret—meetings are expected to mark, dramatically, the President's resumption of full control of the government, only a week after he had begun an extended convalescence stay on his 496-acre Gettysburg farm.

Vice President Nixon has been presiding at Cabinet and National Security Council sessions in Mr. Eisenhower's absence.

In outlining plans for the Monday and Tuesday sessions, Hagerty said the President and those attending today's NSC meeting who must also be present for the Tuesday Cabinet meeting will spend Monday night in the camp's comfortably arranged cottages.

Because matters considered by the Cabinet and the NSC, which is the President's personal advisory body on security and planning, are never publicly divulged, Hagerty would not reveal the purpose of the sessions.

Full Agenda

It was understood, however, that the Administration leaders will review with Mr. Eisenhower a wide range of international and domestic problems and policies, including those stemming from the failure of the Geneva Foreign Ministers' conference.

\$1,150 Damage To Two Cars In Crash

Damages totaling \$1,150 resulted from an accident east of Abbotstown on Rt. 30 at 2:05 p.m. Saturday, State Police reported.

Officers said that a car being driven west by Eugene B. Eckert, 32, Lincoln Square, attempted to pass a machine operated by Thurman F. Hyder, 40, when the Hyder vehicle made a sudden left turn into a side road and collided with the Eckert car. The impact forced the Eckert machine to the south side of the highway where it struck and severed a utility pole, police added.

Station Wagon Is Damaged In Mishap

The WGET station wagon was demolished Saturday evening about 9:30 o'clock and the manager of the station, Parker H. Cunningham, Hay St., suffered lacerations above the left eye and under the chin when the vehicle skidded off the Lincoln Highway about two miles east of here.

State police, who investigated, said Cunningham, driving west, came upon a car too fast, and sought to apply his brakes and turn to the left to avoid the vehicle. The station wagon skidded on the snow and went across the highway, smashed through a guard rail and went down a 12-foot embankment.

A charge of driving too fast for conditions will be placed against Cunningham by police. He was treated by Dr. Roy W. Gifford. Damage to the station wagon was estimated at \$400.

DR. R. L. BLOOM SPEAKS TO SUV AT DINNER HERE

"Lincoln reached his greatest heights when he came to Gettysburg 92 years ago," Dr. Robert L. Bloom, associate professor of history at Gettysburg College, said Saturday night in an address at the Hotel Gettysburg. He spoke at the 25th annual banquet of the Past Commanders and the Past Presidents Association of the Sons of Union Veterans commemorating the dedication of the Gettysburg National Cemetery.

"We wonder why there was not more immediate recognition of Lincoln's Gettysburg address as the supreme oratorical effort of Lincoln's life," Dr. Bloom said. "It is almost a poem. This is no whipping up of emotions, this is no call to revenge. It is not a war address, nor a Union address. It is an American address."

"Lincoln had used the phrase 87 years ago in a brief talk at Washington before coming to Gettysburg and he thought the use of 'years since the founding of the nation' inept and so at Gettysburg he substituted the more literary 'Four score and seven years ago.' He knew the founding fathers had been engaged not only in fighting war, but in organizing a nation and there was question of which was more difficult."

Product Of Frontier

"He knew well the 'inalienable rights' of which the founding fathers spoke. Lincoln had been profoundly concerned with these rights. He was a product of the frontier where freedom was born. His training and upbringing had been based on the belief of liberty for all. For him life without liberty was meaningless. Abraham Lincoln was the embodiment of the 'age of enlightenment,' as it is known, when men yearned most for freedom. He was not just stating historical fact at Gettysburg, he was probing the depths of his own beliefs."

"There are those who would call the Civil War, the War between the States or the War of the Secession. But that was not right. Lincoln thought of it as a Civil War and that is what it was."

"Only if the Confederacy had overthrown the authority of the nation" (Continued On Page 3)

MISS COSHUN, D. W. HOFFMAN WED ON SUNDAY

In a setting of white chrysanthemums Miss Sara Alice Coshun, daughter of Mr. and Mrs. George V. Coshun, 25 Barlow St., became the bride of Daniel William Hoffman, son of Mrs. Louise Hoffman, R. 5, in St. James Lutheran Church Sunday afternoon at 3 o'clock.

The double-ring ceremony was performed by Rev. Dr. Ralph R. Gresh, pastor. Richard Shade, church organist, gave an organ recital.

Given in marriage by her father, the bride wore a floor-length gown of white brocade tulle with a scalloped neckline and long sleeves tapering in points over the wrists. Her fingertip veil was attached to a cap of matching tulle. She carried a bouquet of white roses and pompons.

Mrs. Glenn Sadler Jr., Mechanic, sister of the bride, was the matron of honor. She wore a frosted apple green tulle gown with an off-the-shoulder neckline and a full floor-length skirt. She wore matching mits and hat. Her flowers were pink carnations and lavender chrysanthemums.

Reception Is Held

Oscar J. Malehorn, Shiloh, Pa., was the best man. Milton R. Hoffman, R. 5, brother of the bridegroom, and John C. Coshun, Barlow St., the bride's brother, were ushers. The mother of the bride wore (Continued On Page 2)

General Gruenther Visits President

General Alfred M. Gruenther, Supreme Commander of NATO (left), is shown arriving in Gettysburg for a weekend visit with President and Mrs. Eisenhower at their farm. Lewis Strauss, chairman of the Atomic Energy Commission (right), was also a visitor at the farm. James C. Hagerty, press secretary, is in the center. The photo was made at the airport.

CIVIL CASES ARE STARTED IN COURT TODAY

Trial of civil cases began in Adams County Court this morning with a jury hearing the action in trespass brought by Donald E. Neiman, Abbotstown R. 1, against Earl A. Winter, Hanover R. 1, and Paul F. Worcester, Hanover. The suit involves an accident between a car and a truck near Littlestown. Attorney Donald G. Oyler is representing Neiman and Attorney Eugene R. Hartman, the defendants.

The jury hearing the case includes: Richard G. Cline, 644 Highland Ave.; Charles Criswell, Hanover; Harold Dearford, Fairfield R. 1; Paul W. Helwig, 503 York St.; Eugene C. Lemmon, Hampton; Plus Martin, New Oxford R. 1; Margaret Myers, East Berlin R. 2; Mrs. Ada Reinecker, Abbotstown R. 1; Eugene Shorb, McSherrytown; Mrs. Theresa Smith, 38 Fourth Street; George W. Taubman, Gettysburg; Gettysburg R. 4, and Ralph Weikert, Gettysburg R. 5.

This morning the court handed down approval of the articles of incorporation of the Shushonnan Gun Club, Aspers R. 1. Menallen Township. The club states its purpose is to promote good sportsmanship including proficiency in the use of firearms. It lists its assets as including a 20 by 32 foot, 1½-story clubhouse on an acre of rented land and furnishings and cash totaling \$270.

Listed as incorporators and directors and officers are Robert A. Thompson, Aspers, president; Emerson L. Orner, Benderville, vice president; Clyde P. Orner Jr., Benderville, secretary; Alfred J. H. Fidler, Benderville, treasurer; Ward C. Houck, Biglerville, Luther Cluck, Biglerville R. 1 and J. Russell Kane, Arendtsville, directors.

Hospital Treats 3 For Fractures

Mrs. Chloe Snyder, 67, Littlestown, was treated at the Warner Hospital for a fracture of her right arm sustained in a fall Saturday evening.

Mrs. Hermine Stoudt, 64, Emmitsburg, received treatment for a fracture of the left collar bone suffered in a fall Sunday.

James Kindig, 16-month-old son of Mr. and Mrs. Glenn Kindig, was treated for a fracture of his left forearm received when he fell from a chair.

College Thanksgiving Service Here Tonight

The Gettysburg College Thanksgiving service will be held this evening at 8:15 in Christ Chapel. John Clark, junior student at the Lutheran Theological Seminary, will speak on the subject "The Giving of Thanks."

The program, sponsored by the Student Christian Association, is directed by Miss Margery Claton, college sophomore. Special vocal music will be provided with Robert Bush, senior, at the organ.

10 Killed In Auto Collision

WATERBURY, Neb. (AP) — A head-on collision, believed to have been the worst in Nebraska highway history, snuffed out 10 lives last night—those of six teen-agers and four musicians.

Col. C. J. Sanders, head of the Nebraska safety patrol, said he could recall no other accident taking so many lives. The teen-agers were returning to their farm homes near Ponca. The state safety patrol said a front tire apparently blew out. Their car rammed head on into one carrying the musicians, bound for an engagement at Norfolk, Neb.

The car carrying four members of the Jimmy Palmer Orchestra, James E. Martello, about 30, Springfield, Ill.; Jack Renn, about 25, Pittsburgh; Lou Case Jr., about 25, Rock Island, Ill., and Don Sheffield, about 25, of Vermont, burst into flames after the impact.

The Nebraskans killed were: Rodney Hanks, Garry Stark, Robert Rakow, Perry Book, Richard Rahn and Ronald Nobbe.

FIRST BOOK BY LOCAL AUTHOR IS PRESENTED

A new literary figure made her debut in the world of letters here Sunday. The authoress is Miss Mary Louise Callahan, society editor of The Gettysburg Times and a resident of Gettysburg. Her first book, "Little Birds and Lilies," a religious biography geared to the 6 to 12 year-old set, will go on sale in bookstores this week.

At a dinner party and celebration Sunday evening, held at the Graeffensburg Inn, Caledonia, the Rev. Fr. Salvatore M. Burgio, C.M., of Emmitsburg, v. postulator of the Cause of Mother Seton, and director of the Mother Seton Guild, presented Miss Callahan with the first copy after "many long months of biographical research."

5 Killed, 225 Wounded As 1,000 Riot In Bombay, India

BOMBAY, India (AP) — Bombay seethed in the grip of a pitched battle between armed police and stone-throwing demonstrators today. Five persons were reported killed, at least 225 wounded and over 1,000 rioters were arrested. It was the second successive day of violence touched off by Marathi-speaking Indians with Communist and Socialist backing protesting Prime Minister Nehru's decision to create a separate Bombay city state out of the big west coast port.

More than 100 persons were injured in rioting yesterday. Gangs milled through the streets stoning buses and trains, barricading main streets with huge boulders and setting fire to buses. The violence exceeded that in last August's anti-Portuguese riots in Bombay.

5-YEAR-OLD GIRL HIT BY TRUCK; 2 OTHER MISHAPS

Myra Gridley, 5, daughter of Mr. and Mrs. James Gridley, 44 E. Water St., suffered bruises of the left foot and leg when she was struck by a bakery truck Saturday afternoon at 12:45 o'clock.

Borough police, who investigated, said the child ran into the street from between two parked cars and was struck by a truck of the Fox Bakery Co., York, operated by Arthur Carter, 26, of York.

The officers said Carter had stopped the truck to deliver bread and had just driven out from his parking place when the child ran into the road.

She was removed to the Warner Hospital in the ambulance. The crash was one of three investigated by borough police officers Saturday.

Two Other Mishaps

An automobile was "bounced" 100 feet when it was struck by a tractor-trailer at the intersection of Sixth and York Sts. The officers said the crash occurred at 1:12 o'clock Saturday afternoon when Charles R. Carbaugh, 50, Fairfield R. 2, headed east, attempted a left turn. His car was struck in the rear by a Mason-Dixon Lines tractor-trailer, from Kingsport, Tenn. There was no damage to the truck. Damage to Carbaugh's car was estimated at \$600. William LaFollette, 25, Strasburg R. 1, Va., was operating the tractor-trailer. Police said Carbaugh swung to the right before beginning his left hand turn.

Saturday afternoon at 1:30 o'clock cars operated by John F. Shutt Jr., 38, Spring Grove R. 1, and Rolf William Eschake, Seminary, collided at the intersection of W. Middle and Fourth Sts. According to the officers Shutt was driving north on Franklin St., stopped for the stop sign, then pulled into Middle St. and was struck Eschake, who was traveling west on Middle St. Damage totaled \$350.

IN BALTIMORE HOSPITAL

Mrs. Ernest Kranias, N. Washington St., submitted to an operation Friday at the University Hospital, Baltimore, where she has been a patient for over two weeks.

2 Hurt In Early Morning Mishap

Two men were slightly injured in a two-car accident about 2:30 a.m. Sunday in Hanover. Police said that a car operated by Clyde D. Weaver, 34, of Hampton, collided with the rear of the machine of Edward K. Krumrine, Hanover, when Krumrine slowed to let a car ahead of him make a turn into a side street as both were traveling west.

Weaver, suffering slight lacerations of the face and head, was given treatment at the Hanover Hospital and discharged. Donald Frock, Westminster, riding in the Krumrine car, received bruises on the head but did not require medical attention.

Damage to the Weaver machine was estimated at \$400 and \$1,800 to Krumrine's. Police charged Weaver with following too closely in an information filed with Justice William Y. Nail Jr., Hanover.

MOOSE HOME IS DEDICATED BY STATE DIRECTOR

The new home of the Gettysburg Moose was dedicated Sunday "to the principles of the Moose, Purity and Aid and Progress, and as a place to do that which your heart tells you will be for the betterment of all mankind."

At the same time a painting of the late Charles L. Lauer, secretary of the lodge for 19 years, was dedicated "that it might be an inspiration as you pass by it to be as he was, a Christian gentleman."

Chester B. Stefen, state director of the Loyal Order of Moose, gave the talk dedicating the home. Rev. Dr. Ralph R. Gresh, pastor of St. James Lutheran Church here, dedicated the painting, William G. Weaver, burgess of Gettysburg, welcomed approximately 200 persons present for the public dedicatory service at which Governor Merle L. Hankey presided.

'Foremost In Service'

Burgess Weaver said, "I offer my congratulations as burgess to the Moose. In this particular instance, with their new home, the Moose have helped beautifully one of our principal streets. But more than that, over the years the Moose have been foremost in their service to the community. If I should list the good things that they have done for the town, or contributed toward it, I should speak for hours."

Dr. Gresh said "We are here to honor the memory of Charles Lauer. You remember him as a devoted member of your organization. The people of the town remember him as a good citizen. I remember him as a devout Christian. In this life we are to glorify God and serve our fellowman. We do not know how long our span will be. Some scientists say that future generations will live to be 100 or 120 years of age. But no matter how long life may be, it is still short, and it is appointed that we must die, and when we leave this life let it be with the knowledge that we have in some way served our fellowman."

"Your appearance here today shows that you have not forgotten one who gave so much of himself that the Moose and its work might be promoted and its influence expanded. May this portrait be an inspiration to you that the life of service represented by this portrait may be an encouragement to serve not only the organization by the community. May the principles be (Continued On Page 2)

MUSSELMAN CO. GIVES DINNER FOR BHS SQUAD

Members of the Biglerville High School football squad were guests of the C. H. Musselman Co., Biglerville, at a turkey dinner served Saturday noon in the company's cafeteria after which they were guests of Gettysburg College at the football game with F. and M. here in the afternoon.

Originally the Musselman High School squad of Inwood, W. Va., was also to be entertained but the snowstorm caused cancellation of the trip.

The dinner was served under the direction of Mrs. Mary E. Bryan, cafeteria manager, with members of the supervisory and office staffs serving as waiters.

Additional guests at the dinner were John Hauser, company president; Prof. and Mrs. L. V. Stock; William Coradetti, William Krebs, Donald Sterner and Roderick Laird, members of the school coaching staff; George Martin and Donald Bosserman, plant superintendent, and Charles Trump, personnel manager of the Gardeners plant.

Other guests included Burnell Dehoff and William Sheaffer, Musselman scholarship students at Gettysburg College.

7 DEFENDANTS SENTENCED IN COUNTY COURT

Seven defendants, all charged with burglary and larceny in connection with burglaries in the eastern part of the county, received varying sentences when they appeared in Adams County court Saturday.

Richard Harry Mummert, 26, Hanover, and Robert Earl Shultz, 22, 226 M St., Littlestown, received the longest sentences, 2½ to five years in the Eastern Penitentiary. They received the same sentence twice, the two to run concurrently, for their part in the burglary of the East Berlin VFW, where goods and money valued at about \$100 was stolen, and the Cross Keys Drive-In, where they were "flushed" by police before they could remove anything.

Mummert was also sentenced to 1½ to 3 years for the burglary and larceny at Clyde Rohrbaugh's diner, near Hanover. Similar sentences of 1½ to 3 years in the Allegheny County Workhouse were imposed on Patrick Stanislaus Smith, 22, Hanover R. 4, and Bernard Eugene Feesser, 31, Hanover, for their part in the Clyde Rohrbaugh diner burglary. Arthur Jacob Lawyer, 21, Hanover, who had pleaded guilty to taking part in the Clyde's Diner burglary was sentenced to six months to a year in the Adams County Jail, starting as of September 30.

Placed On Probation

Larry Milton Stremmel, 17, Westminster R. 3, was given a suspended sentence and placed on probation for one year, on a burglary charge in connection with the East Berlin VFW looking. Russell Sterling Wondor, 17, Hanover R. 3, was sentenced to six months to one year in the Adams County Jail in connection with the same burglary. Wondor was also given six months to a year, to run concurrently with the other sentences, for his part in the Cross Keys Drive-In burglary.

Glenn Mark "Funny" Stauffer, Baltimore, was given a suspended sentence and directed to pay \$150 for the use of the county and the costs on a charge of operating a vehicle after his driver's license was suspended.

Kermit C. Shultz, 104 Chambersburg St., was given a suspended sentence on condition he pay \$150 for the use of the county and the costs and was placed on probation for a year on a charge of operating after suspension.

Wolford Is Jailed

Clifford H. Wolford, rear of 310 W. High St., who had been found guilty by a jury on two morals counts, was sentenced to six months in jail beginning September 8 and was ordered to pay to costs.

SIX MEETINGS ARE SCHEDULED

Plans for a number of activities and meetings this week have been announced by the Adams County Agricultural Extension Association.

This evening the county 4-H Dairy Calf club will meet at the court house at 7:30 o'clock.

Tuesday evening the executive committee of the Agricultural Extension Association will meet at the court house at 8 o'clock while the Senior Extension club meets at the same time in the Adams Electric Cooperative building, rear of N. Stratton St.

Thursday the county Agricultural Extension office at the court house will be closed for the holiday.

Friday evening the York Springs 4-H club will hold a square dance at the York Springs Fire Hall at 8 o'clock. At the same hour Friday evening a weed control meeting will be held at the York Springs High School with George Berggren, Pennsylvania State University, as the speaker.

Saturday evening the Adams County 4-H council will hold a roller skating party at Bankert's restaurant, Littlestown.

Marquis James' Widow Known Here

Marquis James, 64, who won two Pulitzer prizes for his biographies, died Saturday of a cerebral hemorrhage at his home in Rye, N. Y.

His second wife, the former Miss Jacqueline Parsons, who survives, well known here, having visited her grandparents, the late Mr. and Mrs. Edwin C. Tyson, Flora Dale, a number of times.

James won his first Pulitzer prize in 1930 for "The Raven," a biography of Sam Houston, and the second in 1938 for a two-volume biography of Andrew Jackson.

Approximately 100, members of the Sons of Union Veterans and the Lincoln Fellowship, plus a few hardy townspeople, braved cold and snow Saturday afternoon to mark the ninety-second anniversary of Lincoln's Gettysburg Address at the dedication of the National Cemetery here.

When Lincoln spoke the temperature, according to unofficial estimates, was about 52 degrees and the day was clear. Ninety-two years later there was snow on the ground and the mercury stood at 35.

Because of the snow, the services were held at the unheated Cyclorama, instead of at the Soldiers' National Monument, in the cemetery, which marks the spot where Lincoln spoke.

Historian Speaks

A Sons of Union Veterans life and drum corps from Harrisburg, wearing the uniform of the Civil War period, took part in the service. Dr. Charles W. Heathcote, professor emeritus of history at West Chester State Teachers College, gave the address.

"To visit the battlefield of Gettysburg where was fought the decisive struggle on July 1, 2, 3, 1863, of the Civil War and which was the turning point of the war is a challenging lesson in patriotism," Dr. Heathcote said.

He praised the Lincoln Fellowship for the work it is doing in "perpetuating the ideals of Lincoln," and added, "We need to remember that Pennsylvania had a large share in the background of Abraham Lincoln. His Pennsylvania ancestors, Mordecai Lincoln, was a great landowner as early as 1720 along French Creek, in Chester County, south of the Schuylkill river.

Crises Prompt Speeches

"Mordecai Lincoln, at his death in 1735 had a considerable estate, part of which consisted of 1,000 acres of land in Pennsylvania and New Jersey. His house, built in 1733, few miles east of Reading, is still standing."

"Two crises in our history called forth two great speeches. The first was delivered by George Washington in Independence Hall, Philadelphia, when he was elected commander-in-chief of the American forces. The speech contained 197 words. His speech shows deep abiding faith which was its mainspring in his soul dedicated and consecrated to God. The second great speech is Lincoln's Gettysburg Address."

Detailing how the cemetery came into being and the plans for the dedication, Dr. Heathcote continued, "In writing this address Lincoln was motivated by the ideals of our fathers who established our heritage, and he resolved our country must be kept united. He knew the losses of the battle of Gettysburg were tragically large and his sympathies were broad and deep for the families who gave their sons in this struggle. The dedication of the cemetery is therefore our appreciation for their noble sacrifice bravery and service."

Inserted Two Words

After detailing the writing of the speech, part at the White House and part at the Willis house, and the scene at the cemetery, Dr. Heathcote observed, "In the delivery of his address, he inserted two words which do not appear in the first two manuscripts of his speech . . . the words 'under God' before 'shall have a new birth of freedom' . . . Lincoln was deeply impressed by the men who gave their lives for the nation at Gettysburg and his religious nature was stirred so that his speech of dedication was also a plan of consecration for himself."

"Lincoln's immortal speech is the creed for real citizenship, patriotism and Americanism. It is the philosophy of the Declaration of Independence and the United States Constitution so that each American (Continued On Page 2)

Stultz, William R. Keefer, Bittle M. Jones and John H. Riley.

During the Sunday worship service in St. Paul's Church, the pastor dedicated new altar and pulpit paraments, the gift of Miss Jennie Huff of Wilkes-Barre in honor of the Huff family active in past history of the congregation.

A brief congregational meeting was held during the Sunday morning worship service in Redeemer's Reformed Church, when the proposed budget for 1956 was adopted. The Kingdom Roll Call visitors were commissioned by the pastor, the Rev. Porter W. Seiwel. The subject of the Rev. Mr. Seiwel's sermon was "A Pastor Gives Thanks." The Senior Choir sang the anthem "The Woods and Every Sweet Smelling Tree" accompanied by Mrs. George A. Stonieser. The altar flowers were placed by Miss Mary Louise Barnes in memory of her father, Elmer Barnes.

Rehearsal Postponed
The Junior and Senior Choirs of Redeemer's Church will not rehearse this week, due to the Thanksgiving holiday.

The Rev. and Mrs. William A. Ellsworth Jr., M. St., were hosts to the Women's Missionary Society of St. Luke's Union Church, near White Hall, for the November meeting on Friday evening. Mrs. Guy McCabe, leader, read the Scripture and presented the topic "My Christian Vocation." Prayer was offered by the Rev. Mr. Ellsworth, who is pastor of the Reformed congregation.

Canvassers Commissioned
Slides on "The Women's Guild At Work" were shown by the Rev. Mr. Ellsworth and were explained by Mrs. Ellsworth. Brief business was transacted. The society will meet again on Friday, December 16, at the church. The topic "What Do

STAGE DRIVE TO NIP SABOTEURS

BUENOS AIRES (U) — The Argentine government of Provisional President Pedro Aramburu moved into its second week today with an apparent drive under way to nip any plots by disgruntled generals.

A tank and an armored car took up positions behind the government house after authoritative reports that the new regime had put "out of circulation" three of Argentina's best known generals.

These reports said the government planned to ease a fourth officer out of the country with an ambassadorship.

The tank and armored car, bristling machine guns and cannon were the only extraordinary security measures evident, however.

2 Generals Are Arrested
Authoritative sources said Gen. Leon Justo Bengoa and Gen. Juan Jose Uranga were arrested by soldiers yesterday. They said Lt. Gen. Julio A. Lagos, army commander in chief, had been "convinced" that he should ask for retirement.

It also was reported that Gen. Dalmiro Videla Balaguer, present federal administrator of Cordoba province, might be named ambassador to Italy.

Informants said all were believed connected with a "rightist" group which Aramburu and his supporters charged had assumed too much control in the Lonardi government.

hostess committee for the meeting of St. Aloysius Parish Council of Catholic Women Tuesday evening at 7:30 p.m. in the parish hall.

The Mason and Dixon Memorial VFW Post will meet Tuesday at 8 p.m. at the post home.

Prayer meeting will be held on the Southern Methodist Church Tuesday at 8 p.m.

Mrs. Clarence Myers, Gettysburg R. D., will be hostess to the Sunshine Sunday School Class of Grace Lutheran Church, Two Taverns, for the November meeting Tuesday at 7:30 p.m.

A Thanksgiving program will be presented at the meeting of the Littlestown Rotary Club Tuesday at 6:15 p.m. at Schottie's Hotel in charge of the community service committee, consisting of Donald Z. Mann, chairman, Clarence R. Reek, Dr. Joseph R. Riden, C. Donald Bowser, Arthur E. Bair, A. W. Schott.

A movie of the recent football game played between Littlestown High School and Delone Catholic High will be shown at the semi-monthly meeting of the Littlestown Junior Chamber of Commerce this evening at 6:30 o'clock at Schottie's Hotel.

tion could it have been a war between States, Lincoln called for troops to put down an insurrection and that is what it was — Civil War.

Popular Government At Stake
"In observing here that we were testing whether a nation such as ours could long endure, Lincoln was alert to the fact that the life of popular government throughout the world was at stake. Europe had long regarded the experiment of government in the United States, some nations hoping it would succeed, others hoping it would fail. Lincoln knew that one of our nation's most difficult tasks was to prevent European nations from recognizing the Confederacy."

"Gettysburg was the greatest battle of the Civil War, and the Civil War was the greatest war of the 19th century. From the Union standpoint Gettysburg was the turning point, the spot at which the Union army came of age, just as Vicksburg, the same week, marked the beginning of the decline of the Confederacy as a military power."

"But more important Gettysburg symbolizes freedom for the American nation, the last hope for the world. Lincoln knew that the matter was one of world importance, not only of national importance. The men who had offered their all here, had offered their all for all mankind. The Gettysburg address thus was an appeal to all, the North and South, and all generations. It was a notice that the Union was pouring out its treasure of men and money for more than a legal abstraction, it was giving its men and its money for all mankind."

Col. Frederic Gilbert Bauer, Woodridge, N. J., commander-in-chief of the Sons of Union Veterans told the group, "we are the oldest, strictly hereditary society organized on a national basis. We were organized in 1831, when those who were eligible were scarcely more than 15 years of age. The Civil War had been a war of young men on both sides. The sons of veterans were boys; they helped put out the flags on Memorial day and they formed a military type organization and paraded and helped the GAR. Now the Sons of Veterans as an organization is nearly 75 years old, yet we are still doing much of what we did when we were but a group of boys."

"So many men have seen service in recent years that the uniform holds little appeal today. We formed a great number of small camps, one for each camp of the G.A.R. We engaged in ritualistic work. Today we must revise our approach. We want men who are not only descendants but of whom we can be proud, men of quality. We should join our small camps into larger camps, so that we can do more for today. If we are to care for the heritage of yesterday, we must be more active with the things of today."

A letter to Mr. Lulu Strausbaugh, general chairman for the banquet program, was read. The letter said, "Mrs. Eisenhower and I are very grateful for your thoughtfulness in inviting us to attend the 25th anniversary banquet of the Past Commanders and Presidents Association of the Sons of Union Veterans. We regret we cannot be with you. I feel I must obey my physicians and curtail my activities for the time being. Dwight D. Eisenhower."

John H. Runkel, Harrisburg, past commander in chief of the Sons of Union Veterans, introduced the toastmaster, Chester S. Shriver, Gettysburg R. D., vice commander of the Pennsylvania department of the Sons of Union Veterans. Rev. Dr. Howard S. Fox gave the invocation and benediction. Glad Long, Lancaster, president of the association, gave the address of welcome. Charles B. Croesley, Harrisburg, past president of the association led the group in Lincoln's Gettysburg Address. Greetings were offered by Mrs. Minnie Rosenger, York, department president of the Daughters of Union Veterans, William C. Jones, Pittsburgh, department commander of the Sons of Union Veterans; Mrs. Elizabeth Koch, Prospect Park, past president of the Ladies of the GAR; and Mrs. Kathleen Runkel, Harrisburg, past president of the Auxiliary of the Sons of Union Veterans. A film on Gettysburg was shown by Dr. Frederick Tilberg.

ference and the increased tensions in the Middle East caused by the Communist sale of arms to Egypt. The contents of the President's forthcoming State-of-the-Union message and next year's budget are also likely to be discussed.

Four armed services helicopters—three of them two-engine "Flying Bananas" and the other a large, one-engine Sikorsky—will be used for the air-lift arrangement between landing spots at the camp and the Pentagon to shuttle officials from Washington. The flights will take forty-five minutes. Vice President Nixon will board the single-engine helicopter at National Airport, Washington, at noon today, immediately after arriving there from Florida.

Allen W. Dulles, the nation's intelligence chief, flew to Gettysburg before today's meeting so he may brief the President on the latest foreign intelligence reports while motoring with him to Camp David.

While the NSC has never met before at Camp David, the Cabinet did hold a session there last spring prior to an outing for Cabinet members and their families, Hagerty said.

Hagerty said the camp was chosen for the meeting because Mr. Eisenhower's farm is not big enough and there is no conference room large enough to accommodate those who will attend these meetings. In addition Hagerty said that Camp David, which is maintained as a military installation by the Navy, will provide ample security for the President and his advisors. In addition to the President's secret service detail, the security force includes Marine guards.

A few of the President's golfing and bridge-playing friends were house guests of Mr. and Mrs. Eisenhower over the weekend indoors. There were, Hagerty said, W. Alton Jones, of New York, president of Cities Service Corp., and Mrs. Jones; William E. Robinson, of New York, president of the Coca-Cola Co., and Gen. Alfred M. Gruenther, supreme commander of NATO forces.

Hagerty also disclosed and exchange of notes between President Eisenhower and Prime Minister Nehru of India. Eisenhower, the notes revealed, congratulated the India leader on his 66th birthday November 14 praising "remarkable and devoted leadership" in which the people "of your country are participating in a most successful experiment in democracy."

Nehru's reply, expressed happiness over the President's progress toward recovery and said "we look forward" to his "leadership in the future."

Eisenhower toured his farm in a midjet-type car yesterday, a snowy Sunday that gave the battlefield landscape a Christmas card look.

book, just off the presses, Father Burgio said to the author, "There are many first moments of high anticipation and excitement such as the ordination of a priest, graduation from school, entering the career of matrimony. And so this too is a big moment in Mary Louise's life — to see the completion of her work. May blessings crown her first literary work and bring success to her and glory to our saintly Mother, Seron."

Following the dinner and presentation of the first copy, Miss Callahan autographed copies for guests

Anniversary Party Held In Littlestown

Mr. and Mrs. Henry E. Waltman, 569 Glenwyn Drive, Littlestown, were honored on the occasion of their 25th wedding anniversary at a surprise party held in the recreation room of their home on Saturday evening. The affair was arranged by their children, Mrs. Curtis H. Briel, Harrisburg; Miss Barbara Waltman, Washington, D. C.; Gary Keith and Jeffrey, at home; assisted by Mrs. Waltman's sister, Mrs. Nevin Myers, Hanover.

Mr. and Mrs. Waltman were married on November 22, 1930, by the Rev. H. D. Shiffer in the Evangelical and Reformed Church, Frederick, Md. She was the former Mildred B. Hyser, daughter of the late Erwin and Mary (McGuigan) Hyser. He is the son of the late Stuart and Elsie (Miller) Waltman. Mr. Waltman is the office manager at the Littlestown Hardware and Foundry Company, Inc.

The room was decorated in a silver, pink and white color scheme. The decorations included a large decorated cake, cut flowers and candles. Refreshments were served to approximately 50 guests present from Washington, Gettysburg, Harrisburg, Hanover and Littlestown.

Aims At Wife, Shoots 2-Year-Old Daughter

CHESTER, Pa. (U) — Police have arrested Charles Bacon, 22, on charges of shooting his two-year-old daughter at their Chester home. Police said the shooting occurred yesterday during an argument in which Bacon threatened his wife, Virginia, 38, with a revolver. Fearing for the safety of the child, the mother picked her up as Bacon fired two shots, police said.

Little Charlotte was hit in both ankles. Mrs. Bacon carried her to Chester Hospital where she was admitted. Police seized Bacon in a nearby apartment.

Since that time, she has been Archivist to the Mother Seton Guild, editor of the Mother Seton Guild Bulletin, the quarterly publication which promotes the cause, Mother Seton's Cause for Canonization. She moved to Gettysburg in 1947 where she has been society editor of the Gettysburg Times.

The biography, "Little Birds and Lilies," her first book, is the outcome of a life-long devotion to the Foundress of the Sisters of Charity in America.

DELONE FUND UP TO \$340,465

Returns at the second general report meeting boosted the total amount subscribed to the Delone Catholic High School building fund campaign to \$340,465.

Two of the parishes, St. Francis Xavier, Gettysburg and St. Joseph, Bonneauville have exceeded their goal, and several others are on the verge of doing so.

The over-subscription of their goal in each parish will be applied towards the parish's future high school maintenance costs. The Rt. Rev. Msgr. Patrick F. McGee, speaking for the board of the high school, announced that payments of pledges will not begin until next January.

The report by parish follows Immaculate Heart of Mary, Abbotstown, \$7,340; St. Joseph, Bonneauville, \$16,970; Sacred Heart, Conewago, \$24,330; St. Francis Xavier, Gettysburg, \$32,010; St. Joseph, Hanover, \$45,407; St. Vincent dePaul, Hanover, \$67,690; St. Aloysius, Littlestown, \$21,680; Annunciation, McSherrystown, \$102,395; Immaculate Conception, New Oxford, \$19,800.

6 Names Omitted From School Affair

Gettysburg High School's Thanksgiving program, "Thanksgiving Through the Ages," to be presented Wednesday afternoon at 1 p.m. in the high school auditorium, will be open to the public, Miss Ruth McIlhenny announced today.

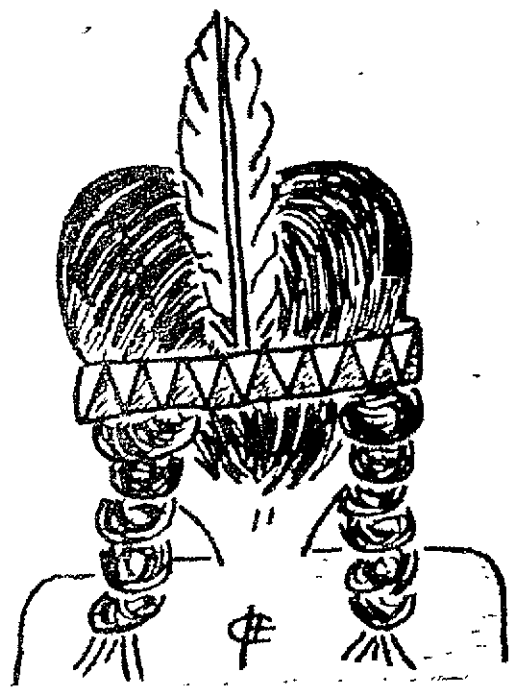

Because of an omission by the high school, the following members of the program from the Junior High School were not included in last week's announcement of the assembly. They are: Pilgrim Group; Ann McIlhenny, Joseph Sharrar and Sandra Harmon, Indian Women; Caroline Heimerer, Margie Wyatt and Lincoln Skit. Mrs. Eva D. Bower chose the students to appear in the production.

FIGHT, PAY, PEACE

Borough police were called Sunday afternoon at 1:10 o'clock when Evaristo R. Diaz, Biglerville R. 2, is said to have been struck by a chair during an altercation on W. High St. Police said he was struck by James Keith, colored, Norristown. Keith paid the bill for treatment for Diaz at the Warner Hospital and for Diaz's torn shirt and tie and the matter was settled without an arrest.

CIVIC COUNCIL TO ASK WOMEN FOR XMAS FUNDS

The Women's Civic Council of Gettysburg will solicit the financial support of the women of the town and surrounding areas for the street Christmas decorations. The decision was made at a recent meeting in the YWCA.

The opinion was expressed "that since the town decorations are a part of the family Christmas and that since President Eisenhower's family will be part of the town Christmas this year, the women ought to do all they can to make this a project of which we need not be ashamed."

Contributions of organizations and individuals may be given to the Retail Merchants Association at Pitzer's Tailor Shop, Chambersburg St., or mailed to Frank Howler.

Officers Elected

The following officers were elected for the year beginning January 1: President, Mrs. Guyon E. Buehler; vice president, Mrs. Pearl Wiser; secretary-treasurer, Mrs. Walter Coleman. The first two were re-elected. Miss Anne Faber, present secretary-treasurer, was not eligible for re-election as her organizational term expired during the year. She was continued in office until the end of this year. Mrs. Charles W. Spriggs presided at the election.

Mrs. Wiser reported on the November meeting of Town Council. Mrs. Earl E. Ziegler, Mrs. Spriggs and Mrs. Cole reported on the educational meeting held on November 1st.

Mrs. Lee Hartman, Miss Martha Lentz and Mrs. Spriggs were appointed to audit the treasurer's books.

Commended Organization

The President commended the following organizations for having perfect attendance at Council sessions during the year — Beta Sigma Phi Sorority, Business and Professional Women's Club, Adams County Fish and Game Auxiliary, St. Francis Xavier Mother's Club and the Y.W.C.A. Three groups had representation at all but one meeting — American Legion Auxiliary, Sororist Club and the Woman's Club. Appreciation was also expressed by the president "for the splendid co-operation of officers and members during the year."

Following the business session Walter Lane showed the film "Gettysburg." He also spoke to the women of the importance of "selling" Gettysburg to the world and stated that "it was the opinion of the Gettysburg Travel Council that if enough copies of this film could be purchased locally and loaned out on request many more people would come to Gettysburg."

The next meeting will be held on January 20.

Presents Bouquet

Mrs. George Grazer of the Baltimore chapter of the Women of the Moose presented Mrs. Charles L. Lauver with a bouquet of flowers from the Women of the Moose. With Mrs. Lauver at the service were her nephews and nieces whom she and Mr. Lauver had helped rear.

Director Steffen told the group, "Represented in this building are the hopes, the desires, the charity and kindness of the men of the lodge and the ladies of the chapter, the desire to make this community a better place in which to live and to help those who deserve help and cannot help themselves. Here are housed hopes for the future, for we build not only for today but for tomorrow. May this lodge stand out as a place where men and women plan to help others. Let it be a refuge to those who need help. I now dedicate this building to the principles of the Moose, Purity, Aid and Progress, to do that which your heart tells you will be for the betterment of all mankind."

The dedication program followed an enrollment ceremony at which 50 members of the George Maich Memorial Class were inducted as members. Carl Smith represented the class for the ritual presented by the Harrisburg ritual team. Director Steffen was the principal speaker. The program Sunday concluded with an entertainment in the evening by the Moosettes of Harrisburg and concluded a six-day-long program of dedicatory activities.

Color guards were: Joseph Rodgers, Robert Munch Everett Christer and Edgar Wastler. The firing squad included Thomas Harbaugh, William Rodgers, Clifford Eyer, Clarence Oondor, and William Iyer. The Honor Guard included Allen Davis, Vincent Topper, Donald E. Rodgers, William D. Rodgers, William Topper, Donald Topper, George Ashbaugh Jr. and Beinaud E. Spantkie.

Bullets Romp Through Snow And Mud For Easy 46-0 Win Over Diplomats In Final Tilt

Neither snow, nor mud, nor the Franklin and Marshall College grid-ers could deter the Gettysburg College Bulldogs from closing their football season in a blaze of glory here Saturday afternoon as Coach Johnny Yovicsin's lads romped to an easy 46-0 victory over the visitors before approximately 2,500 fans who braved the elements.

Among the 18 Seniors who took part in their final game of their careers, Sheldon Yungst, star center for the past three seasons, put on one of his finest performances. He recovered one fumble, intercepted a pass and turned in another brilliant all-around performance throughout.

Bruce Pieper, another Senior, tallied a pair of touchdowns and piled up 100 yards on but five carries. The Diplomats threatened but once, that coming two plays after the kickoff when Jim Neese recovered a bullet fumble on the Gettysburg 45. The visitors picked up a first down before the Bulldogs braced to force Dick Pohner to punt into the end zone.

30-Yard Drive
Taking over on their own 20, the Bulldogs marched 80 yards for their first score. The highlight of the drive was a 30-yard run by Pieper who laterallied to Art Hendley who raced 15 more to the Diplomats' 30. Aggie ripping through for two first downs, Jim Soltesz, substituting for the injured Frank Gagliardi, 17th Senior on the squad, went over on a plunge from the 1. Soltesz booted the point.

A 25-yard punt return by Pieper to the F. and M. 35 set the stage for the second Bullet score, Frank Capitani streaking the remainder of the way on the next play. Again Soltesz converted.

Yungst Intercepts
Yungst intercepted a pass by Powell on the Diplomats' 35 to pave the way for a score in the second period. Soltesz fired a pass to Capitani on the 20 and he reached the 10 before being dropped. Another pass, Soltesz to Pieper, produced the score. Soltesz kicked his third straight extra point.

Gettysburg's next score in the third quarter followed a recovered fumble by Yungst on the F. and M. 35. Pieper streaked to the 5 on his first try and then shot through right tackle for the tally. Soltesz made it 28-0 with another placement.

The Bulldogs marched 87 yards for their fifth six-pointer, Mike Duka finally crashing over from the 2.

In the final period Dave Lichtenfeld snarled a pass thrown by Powell and raced from the F. and M. 31 to the 5 before being hauled down. On the next play Bill Morrow, also a senior, smashed over.

Graybill Recovers
The final score of the afternoon was set up when Dave Graybill, sub center, pounced on a fumble on the visitors' 27. The Bulldogs were set back 15 yards on a penalty but Ronnie Brandt picked up 19 yards on a Statue of Liberty play. From the 26 Bob Lebo took a pitchout and went the rest of the way.

As a result of the victory the Bulldogs wound up their campaign with an enviable 6-2 record. The Diplomats finished with a 2-6 mark.

29th Bullet Win
It was the fifth straight victory for Gettysburg over F. and M. and the 29th in the long series which started in 1890. The Diplomats have 24 wins while five games ended in ties.

COLLEGES CLOSE SEASON IN SNOW, UPSETS, SUCCESS

By THE ASSOCIATED PRESS
Nearly all Pennsylvania colleges finished their 1955 campaigns on the gridiron this weekend, three of them with notable success and a number amid white and chilly reminders that the season for football was about over anyway.

The big successes belong to two little fellows, Drexel Institute of Technology and Juniata College, and one bigger eleven—the once-again mighty Panthers from the University of Pittsburgh.

Pitt stepped on the University of West Virginia two weeks ago and shutout Penn State and its Lennie Moore, 20-0, this weekend in a fashion that may have earned a trip South, perhaps to the Sugar Bowl.

Upsets And Unexpected
The season was marked by a number of upsets and enough of the unexpected.

Drexel Tech, for instance, did something it never did before: it finished unbeaten and untied for the first time in its 36 years of football to share with Juniata Pennsylvania's only such records.

The Engineers from Philadelphia took on Pennsylvania Military College, a fairly formidable foe, last Saturday and remained upright, 20-6. It made a perfect eight in a row fall outing.

Juniata Gets Honors

Juniata plodded through the fall again keeping company for honors only with might Oklahoma, holder of the nation's longest unbeaten record, 29 games. The result—another unbeaten season and the nation's second longest all winning streak, 23 games—has gained for little Juniata a "feeler" from the Tangerine Bowl at Orlando, Fla.

To keep things intact, Juniata piled five inches of snow and 32 points on Ursinus Saturday, 39-6. In one of the state's big tradition games, Lafayette surprisingly crushed Lehigh, 35-6.

Title But No Score
Bloomsburg State Teachers College had a close call against Lock Haven with the Teachers' Conference title at stake and at least a tie necessary for Bloomsburg to assume the championship. They got both the tie a scoreless one, and the title.

Two other teams that turned in their most successful campaigns in a long while were Moravian College and the University of Scranton. Moravian romped over Wilkes College Saturday to conclude a season of six wins, one tie and one defeat.

Temple completed the worst year in its gridiron history, losing 25-0 to Boston University for a victory-less season. Villanova was dumped by Houston 26-14, making its season's record one win against eight defeats.

Penn Awaits Cornell
Penn rested up for its traditional Thanksgiving Day encounter with Cornell, Penn's last chance to avoid two successive all-losing seasons. Scranton had its best fall in 17 years. Its 12-6 defeat of Albright this weekend gives it a six and one record.

On other gridirons across the state, California beat Edinboro, 20-0. Lycoming overcame Lebanon Valley, 25-7. Grove City was trampled under Bethany, 33-12. Gettysburg swamped Franklin and Marshall, 46-0, traditional rivals Haverford and Swarthmore slugged it out to Haverford's advantage, 13-6, and Bucknell lost to Delaware, 27-12. Carnegie Tech and Westminster postponed their clash to an undecided date and West Liberty and Slippery Rock cancelled their contest.

slim three-point edge over the invaders in the rating system and a 50-point edge over Wilkes-Barre Meyers.

The Southern Division standings showed no changes from last week, with Minersville still holding a 50-point lead over defending conference champ Mount Carmel, Coal Township, is third.

Eastern Awaits Holiday
No league titles were decided in PIAA games over the weekend. The Eastern Conference depends on the Thanksgiving Day games and the WPIAL AA on the outcome of Saturday's All-Quippa-Mount Lebanon clash.

In the Catholic ranks, Shenandoah Catholic topped the North-eastern Catholic Football Conference title by crushing Pottsville, Nativity Catholic 34-0.

3 Delone Players Selected To First Team Of Central Penn All-Catholic League

Three Delone Catholic High School football players were named to the first team, four to the second team and four received honorable mention in selections for the Central Penn All-Catholic Conference made by coaches of the teams.

Tom Smith, tackle; Burnell Bevenour, end, and Larry Little, back, were the Squires gaining positions on the first team.

Second team selections included Bob McMaster, guard; Dick Smith, center; Carroll Funk, quarterback, and Al Neiderer, back.

Those receiving honorable mention included: Joe Polst, end; Charles Gift, center; Don McKenrick, and John Washington, backs.

Harrisburg Catholic, conference champions, dominated the selections for the first team by placing five players. Ed Furjanic, six-foot 195-pound end from Harrisburg, was the only repeater from last year. It was the third straight year he was chosen, a feat never before accomplished in the circuit.

Bevenour and Smith of Delone were second team selections in 1954. McMaster repeated as a second team choice again this year.

Coaches participating in the balloting included Tony Cernigoi, Harrisburg; Alex Bell, Delone; John Sinkovitz, York, and Gene Krulis, Lancaster.

Four College Elevens Are Rebooked For Rose Bowl And Orange Bowl Battles Jan. 2

By ED WILKS
The Associated Press
It's Michigan State-UCLA in the Rose Bowl and Oklahoma-Maryland in the Orange Bowl Jan. 2. And if you think you've heard that song before, you're right.

Those same four powers met in the same two New Year's Day extravaganzas in 1954. Michigan State beat UCLA 28-20 and Oklahoma beat Maryland 7-0. UCLA and UCLA are once beaten. The Spartans lost only to Michigan (14-7) this season, while only Maryland upended UCLA (7-0). Maryland, the 1955 national champ, again has a 10-0 record, while Oklahoma, 9-0 with one game left and apparently heading for the national title, was once beaten and once tied going into the '54 Orange Bowl.

Win Third Straight Title
UCLA expected to receive official blessing from the Pacific Coast Conference today after a token poll of members. The Uclans won their third straight PCC championship by thrashing Southern Cal 17-7 Saturday.

Michigan State received its Rose Bowl credentials from the Big 10 yesterday although getting the bid as a runner-up Ohio State, barred from two consecutive Pasadena pastimes, won the Big Ten title again by booting Michigan out of the picture 17-0 while Michigan State wallowed in league Marquette 33-0.

Half Of Bowls Filled
Oklahoma and Maryland, the only major unbeaten-united clubs remaining, got their bowl tickets before last weekend's games in which the Sooners won their 16th straight Big Seven title by whipping Nebraska 41-6 and Maryland clipped George Washington 19-0.

Half of the bowl berths now are filled, with Texas Christian gaining the Southwest Conference host spot in the Cotton Bowl, by humiliating Rice 35-0. That leaves the Dallas bowl selectors still looking for another team.

The Sugar and Gator bowl committees also are still on the prowl and they'll have their teams by week's end with Mississippi, Georgia Tech, Auburn, Navy and Pitt waiting to save.

Are Final Fling
To give the selectors a good show, Mississippi plays M.S.A.S.P. State, Georgia Tech meets Georgia, Auburn takes on Alabama and Navy tangles with Army as college football takes one last fling this Saturday.

Pitt's record already is bound up for inspection with Saturday's 20-0 decision over Penn State capping a season that listed victories over Duke and West Virginia.

The Southeastern Conference champ generally fills one of the Sugar Bowl berths and Mississippi (8-1), Georgia Tech (7-1-1) and Auburn (7-1-1) are the contenders. Vanderbilt (7-2) also has a chance. Vandy plays Tennessee, knocked for a loop by Kentucky 23-0, this weekend.

Navy, which returned to the post-season business last January in the Sugar Bowl, likely will have a Cotton Bowl invitation in hand if it can beat Army. If the Middles fall, Pitt or one of the SEC teams may make it.

Pitt also qualifies for the Sugar Bowl, although the New Orleans promoters could do worse than match a SEC pair.

BEARS DEFEAT LIONS TO TAKE LEAD IN LEAGUE

By RIP WATSON
The Associated Press

Twenty years ago Alabama sent Don Hutson up to the National Football League and he proceeded to make life miserable for opposing pass defenders for the next decade.

Now Alabama has contributed Harlon Hill to the NFL, and the Chicago Bears' star promises to be just as much of a problem for the defense as his illustrious predecessor. Hill looked like Hutson at his best yesterday as he twice faked Detroit defenders out of the way for the touchdowns that brought the Bears a 24-14 victory, their sixth in a row, and first place in the NFL's Western Conference.

With three games to go, the Bears (6-3) have a half-game lead over the Los Angeles Rams (5-3-1), who were held to a 17-17 tie by Baltimore, Hutson's old team, the Green Bay Packers (5-4), trail by a game after Tobin Rote passed for two touchdowns and ran 49 yards to set up a third in a 27-21 victory over San Francisco.

Browns, Giants Win
In the Eastern Conference, Cleveland bounced back from its upset defeat by Philadelphia a week ago to trounce Pittsburgh 41-14 and remain a game in front of Washington's surprising Redskins, 31-0 winners over the Chicago Cardinals. New York vaulted from last place to a tie for third with Pittsburgh by clipping the Philadelphia Eagles 31-7.

Unless the second-place teams get some unexpected help, it looks very much like the Bears vs. Browns in the pro championship playoff, scheduled for Monday, Dec. 26, or Sunday, Jan. 1, in the park of the Western Conference champion.

WES SANTEE'S SUSPENSION IS LIFTED BY AAU

KANSAS CITY — Wes Santee, America's fastest miler, is back in good standing with the AAU.

The Missouri Valley AAU Board of Managers decided yesterday to lift a suspension against the runner. The suspension would have barred him from the 1956 Olympics, as well as other AAU-sponsored events.

Another Valley AAU body—the registration committee—imposed the penalty Oct. 30 on grounds Santee had accepted excessive expense allowances for three California track meets last May.

Santee, maintaining he had never violated amateur athletics standards, appeared to the higher board. The Board of Managers voted 27-7 to repeal the registration committee's decision.

"Now at least I'll have a running chance in the Olympic games," Santee commented.

B. E. Santee's coach, during his college days at Kansas, represented the state as a runner on a board during his suspension.

Santee was unable to attend.

REDS HAVE SIX POINT ICE LEAD

By THE ASSOCIATED PRESS
The Providence Reds, cellular dwellers in the American Hockey League last season, are showing no signs of folding now that they're on top.

The Reds dropped a 4-3 decision to Hershey Saturday night but bounced right back last night to beat second place Pittsburgh 5-3 and stretch their league lead over the Hornets to 6 points.

Springfield and Buffalo split even in the weekend series, with the Bisons winning 8-2 last night at Springfield after the Indians triumphed 11-4 Saturday on Buffalo's ice.

Zello Toppazzini paced the Reds against Pittsburgh with two goals. The league's No. 1 scorer tallied in the first and third periods. But the Hornets were weakened by the loss of Willie Marshall and Marc Reame, who had been recalled by the parent Toronto Maple Leafs, and dressed only 13 men.

Pete Conacher and Chuck Blair each came through with two goals in the Bisons' triumph over the Indians last night. It was Buffalo's first victory in its last five games.

JUNIATA GETS "FEELER" FROM ORLANDO BOWL

HUNTINGDON, Pa. (P)—The 3-D formula — determination, desire and durability—is what Coach Bob Hicks says is the key to the success of little Juniata College's football squad which just completed its third successive all-winning season.

"It's a great thrill to be associated with these boys who love to play the game," Hicks said. "They played the best they knew in every ball game and gave it everything they had all during the season."

And Hicks revealed that Juniata had received a "feeler" from the Tangerine Bowl at Orlando, Fla., which is being considered by the college's administrative board.

Juniata's string of 23 consecutive victories is the longest in the small college ranks and the second longest in college football. Mighty Oklahoma now has 29 straight wins.

Never Outplayed
"They were outweighted in practically every game this season but nobody outplayed them," Hicks said of his starting line which averaged only 184 pounds per man. And the backfield he had more praise. "They don't know the meaning of defeat."

That statement could be taken literally by the 10 squad seniors who completed their college football careers last Saturday. In their four years of varsity play, the team won 29 of 31 games.

Juniata's last defeat was in its final game of 1952 against Lebanon Valley, of Amnville, Pa., 13-6. For Hicks, it's been a non-losing career at the central Pennsylvania school which has an enrollment of only 688. A former Penn State player, Hicks inherited a seven-game winning streak when he took over as head coach in 1954 from Bill Smaltz, now freshman coach at North Carolina State.

Hicks was forced to use only 15 "iron men" in the seasons' first three victories, each won by no more than one touchdown. The prospects for next year? Hicks isn't saying. He's looking sadly at the 10 seniors who will graduate next June.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times
ONE HUNDRED YEARS AGO

News From Europe: The foreign news received during the past week is not of stirring importance. It is not thought likely that any further operations will take place in the Crimea this season. A story had become prevalent throughout England that Mr. Buchanan had demanded his passport, and that war with America would follow. Considerable alarm was created thereby, but Mr. Buchanan promptly contradicted the story. Breadstuffs were a trifle lower.

The Fair: Meeting Of The Ladies — A meeting of the Ladies of the Borough was held in McConaughy's Hall on Monday evening, to consult upon the propriety of getting up a Fair to secure a good walk to the Cemetery. Mrs. H. J. Stahl was called to the Chair, and Miss Margaretta McClellan appointed Secretary. After an interchange of views, it was resolved to hold Fair, the proceeds to be applied to procuring a good, permanent and shaded walk to the Cemetery grounds, and that the Ladies of Gettysburg be requested to participate.

On a motion to appoint an Executive Committee of two ladies from each congregation, to further the purpose of the meeting, the following ladies were named: — Mrs. Robert Horner, Miss Annie Fahnestock, Mrs. John Winebrenner, Miss Annie Danner, Mrs. D. A. Buehler, Miss C. E. Fahnestock, Mrs. J. L. Schick, Miss Sullie Paxton, Mrs. Peter Weikert, Miss Louisa Gillespie, Miss Bell Thompson and Miss Annie Runkle.

Adjourned Meeting — Over fifty ladies were present at the adjourned meeting on Wednesday afternoon. Permanent officers were elected. President, Mrs. R. G. Harper; Vice President, Mrs. E. Little; Secretary, Miss Maria Walter; Treasurer, Miss Matilda Gillespie.

LOVE THAT JOB

There is no medicine that promotes strength, good cheer and happiness as work does. Be it ever so humble, work is what keeps us in the mood for better and better experiences. So, if you have a job, stick to it, and keep getting more efficient, and that job will grow by leaps and bounds.

One reason why so many complain about their ill luck is that they do not love the jobs they have. Through life we all have unpleasant things to do—in the line of duty—but each one serves greater than we know at the time. Most of our leaders rose from what their mind and hands tell to be their youth, with plenty of dreams to guide them to bigger things. One of the most inspiring figures in the world today is Herbert Hoover. I listened with the greatest of interest to an interview with him on a recent TV program when he told of his early struggles and his climb to world-wide usefulness. He was never afraid to use his hands in his youth, fighting for everything that put him a little higher all the time.

Elbert Hubbard once said: "Happy is the man who has found his work." It isn't the compensation that comes to a worker that is the most important, but the satisfaction he gets out of his job. Bigness isn't in dollars. It's in character and usefulness. Discontent is all right if you have your eye on a bigger and better job!

I was very much interested in reading the book about the Eisenhower brothers. In their youth each one worked, and all have made notable success of themselves. One, our beloved President.

We gain from life no more than we put into it, but if what we put in comes from the mind and heart we are a success, no matter what the material compensation may prove to be. No medicine or vitamin has ever equalled the love you put into your job!

Tomorrow Mr. Adams will speak on the subject: "Plight," Protected, 1955, by The George Matthew Adams Service

Just Folks

THE BOASTFUL BORE

I do not mind the mind the man who brags about his kith and kin. Although I think his family was good to take him in. I do not mind the braggart who proclaims his youngster's worth. For boastful parents I have found the finest folks on earth. But, oh, protect me from the man who swells his chest to tell how someone else has failed where he'd have really done it well.

I can abide the man who boasts a little of his skill. Though silence on that point I think would grace him better still. With patience I will hear the man who speaks with honest pride of what he gives to charity. If truth is on his side.

But I confess I try to shun the man, whoever he be, Who claims that no one else on earth knows quite so much as he.

It is a natural trait to brag; all do it more or less. Though what we are and what we do is proved by our success. And I can patient he with men whose worth all people know. The while they readily admit Each flattering speech is so. But, oh, defend me from the man who lets his boasting run. When someone else has tried, and failed, to tell what he'd have done.

Dies From Injuries In Truck-Buggy Crash

LEBANON, Pa. (P)—Mrs. Barbara Smoker's two children, Abraham, died last night of injuries suffered last Wednesday when a tractor-trailer collided with the family horse-drawn buggy near her home.

Three other persons, including the Smoker's two children, Abraham, 2, and Marie, 3, were injured in the collision. Smoker, 27, driver of the Amsh buggy, and Clifford Stiles, 29, Huntington, at Cincinnati last summer that the "bug" to a free ballot is the right preserve of all rights, and must and shall be maintained in every part of the United States.

A Washington Correspondent of the Philadelphia Press throws out a very strong indication that under President Garfield the Democrats and unreconstructed ex-Confederates in the government depicted Gen. Key had the political service performed out of them.

Local Items: Bishop Schuman of this diocese, had a reception at Harrisburg on his return from Europe. Rev. J. A. Boll being on the committee of reception.

KEFAUVER IS EXPECTED READY FOR BIG BATTLE

By JACK BELL

CHICAGO (P)—Sen. Estes Kefauver of Tennessee apparently is going to assay a "giant killer" role in a battle with Adlai E. Stevenson of Illinois for the 1956 Democratic nomination.

Friends who participated in a three-day party rally which wound up here this weekend reported Kefauver has firm pledges for more than \$200,000 in campaign funds and is almost certain to take the plunge into the contest next month. This would put him directly against Stevenson, the 1952 nominee who is running again, while Gov. Averell Harriman of New York waits watchfully on the flanks for any sign of a stalemate.

Stevenson, who formally announced his candidacy last week, appeared to have been installed as an odds-on favorite for the nomination by members of the national committee and state chairmen who have most to do with the selection of next year's convention delegate states.

Harriman, who said he has an "understanding" with Stevenson on which he wouldn't elaborate, said he doesn't agree that the Democrats ought to pick a "moderate" candidate or write a "middle-of-the-road" platform. He said he subscribes to former President Harry S. Truman's view that the party must bear a "liberal" label if it hopes to win the presidency and Congress next year.

Truman said Stevenson "made the best New Deal speech I ever heard" at Saturday night's \$100-a-plate dinner, which wound up the party rally.

Speech Called "Bunk"

Commenting in Washington on Stevenson's speech, the chairman of the Republican National Committee, Leonard W. Hall, said the attack on the Eisenhower administration was "bunk."

Stevenson, said Hall, "made it clear why he was repudiated by the voters so completely in 1952 that he could carry only nine states."

Stevenson told the 2,800 Democrats that "special interest" Republicans offer the country nothing but an uneasy peace, shaky prosperity and stagnation.

He said the cold war "is still in a deep freeze" despite President Eisenhower's efforts. He said the economy of 20 million Americans or farmers is "sinking."

Kefauver called the conduct of foreign policy by the Eisenhower administration a "failure." He charged it is "the deliberate policy of the Eisenhower administration to liquidate the small farmers of this nation."

Truman sailed into the administration's handling of international problems, declaring that the Republican tactics "have lost us every friend we have in the world."

Man Stabbed And Cops Find Still

HAGERSTOWN, Md. (P)—Federal agents uncovered a still and three barrels of fermenting wine as the result of a fight Saturday at near-by Smithsburg.

Authorities said Everett Eugene Moore, 35, who lives at the Waynesboro, Pa., Airport in a trailer court, was stabbed in the neck by Howard Donald Kline, who lives on a farm at Edgemont.

Investigators said they found Kline in his home — unconscious next to three barrels of fermenting wine. A search of the property turned up a 25-gallon still, federal revenue agents said.

Moore, charged with being drunk and disorderly was released yesterday from the hospital. Kline was charged with assault and with being drunk and disorderly.

Released Priest Says Reds Told Him To Pick His Bullet

HONG KONG (P)—One of two Roman Catholic priests who crossed the Bamboo Curtain to freedom Saturday said his Red Chinese captors once told him to pick from five bullets the one he wanted to be shot with.

The priests are the Rev. Justin Garvey, 40, of Union City, N.J., and the Rev. Marcellus White, 47, of Waltham, Mass. Both appeared to be in good condition when they crossed to Hong Kong.

The Red Chinese announced Thursday they were releasing the two priests and Mrs. Homer B. Bradshaw, a Presbyterian medical missionary with headquarters in New York. Mrs. Bradshaw, whose ailing husband is still held by the Chinese, did not arrive with the priests but is expected Sunday. The Bradshaws' home is 121 University Place, Pittsburgh, Pa.

The priests arrived by train from Canton.

In Solitary Confinement — They are missionaries of the Passionist order. Father Garvey was imprisoned in December, 1951, and Father White in February, 1952.

They told newsmen the Chinese had kept them in solitary confinement in Changsha since July, 1953. Father Garvey said he was tried and sentenced to four years' imprisonment last Oct. 29 but was released "early for good behavior."

He gave this further account: The Reds charged him with cooperating with Kuomintang (Nationalist) Chinese "bandits" and spying for the U.S. FBI. They said the crimes of which he was accused were so serious he could be executed.

He was warned that unless he confessed he would be taken to Peiping "where instruments will be applied to you." He never confessed, but the threat was not carried out.

Refused To Confess

When he refused to confess, Father Garvey was put in a "punishment cell" 15 by 15 feet which also was occupied by 20 other persons. He stayed there five weeks. There was not enough room to stand in the cell, and the prisoners were required to sit on the floor throughout the day. He had to get his jailor's permission to kill a flea.

Father White said he often was threatened with pistols. Once a questioner showed him the five bullets and told him to pick on for his execution.

He was sentenced to five years but also was released early for "good behavior." He broke down in describing his trial. He was accused of spying and passing on economic information. In the nearly 2 1/2 years spent in prison, Father

NATIONAL GUARD RECEIVES ORDER TO INTEGRATE

BALTIMORE (P)—Segregation was on its way out in the Maryland National Guard today after an abolition order by Gov. Theodore R. McKeldin.

Maj. Gen. Milton A. Reckord, adjutant general of the state unit, said he would "issue the proper directives" today to carry out the governor's order.

McKeldin instructed Reckord to "initiate without delay all such steps as are necessary to bring an end to racial segregation in the organization of the Maryland National Guard."

First Southern State — Guard officials said Maryland is the first Southern state to drop racial barriers in its military service.

A group of 15 Negro officers who formerly served in the Maryland Guard recently announced plans to ask a Federal District Court ruling against Guard segregation. The Negroes said they were integrated with regular Army units while serving in Korea but preferred to remain on inactive duty upon returning home rather than rejoin segregated Guard outfits.

Court Action Unnecessary — McKeldin's directive said, "The awaiting of court action would result only in an unnecessary delay."

About 150 Negroes in two all-Negro transportation units in Baltimore will be affected immediately by the order. The units are the only Negro components of the state Guard's 38 units.

Reckord looked for "a smattering of enlistments" but added, "I don't think it's going to make too much difference. I feel sure everybody will take it in stride."

100 Cars Derailed Sunday Evening

SHAMOKIN, Pa. (P)—Ten cars of a 100-car Pennsylvania Railroad freight train jumped the track one block from this town's main business district last night and caused damage estimated by police at \$50,000.

No one was injured when the gondola cars, carrying iron ore between Sixth and Market streets, ripped up the rails and left wreckage scattered along the right-of-way for nearly a block.

Two cars mounted a retaining wall and came to rest suspended over a street while another crashed into the front of a two-story brick building.

Railroad wrecking crews said it may take until tomorrow to clear away the debris.

RICHMOND, Va. (P)—The largest source of the income for Virginians is government salaries. The University of Virginia's Bureau of Population and Economic Research says manufacturing comes second. Also, the growing weight of government salaries in the Arlington-Alexandria area, just across the Potomac from Washington, knocked Richmond into second place in per capita income.

'GHOST PLANE' SEARCH RENEWED

CARLISLE, Pa. (P)—Search was renewed today for "a ghost plane" reported to have been in trouble Friday night in the rugged South Mountain area of Mount Holly Springs about 20 miles from Carlisle.

While no plane was reported missing at the time, Dale Murphy, Civil Defense coordinator of Cumberland County, said a score of persons reported they heard a plane flying low Friday night.

"We believe there was a plane in trouble and we're going to check everything out," Murphy said. Over the weekend, volunteer searchers ran down numerous clues without result.

Murphy said two sailors repairing a tire on Rt. 15 Sunday morning south of Walnut Bottom reported seeing a flare. But when searchers arrived they found only a radio weather balloon.

Other searchers tramped through mountain area, near Dillsburg, York County—also without results—after a woman and her husband reported seeing two yellow flares about five miles from that community.

LEADER RETURNS BARRIER REPORT TO COMMISSION

By DICK HOENIG
HARRISBURG (AP)—Gov. Leader has rejected plans for extension of the controversial medial barrier as submitted by the Pennsylvania Turnpike Commission.

"The governor found the report was not complete and decided not to release details of it now," Thomas K. Hodges, the governor's press secretary reported today.

"He has returned it and asked the commission to do more work on it."

Agree To Extension
On Sept. 29 the governor announced the commission had agreed, subject to the money available to extend the medial barrier which has been constructed at strategic points along the 360-mile cross state superhighway.

About 20 miles are now protected by such a barrier which some experts believe help prevent head-on accidents between vehicles moving in the opposite direction.

Various legislation introduced in both houses of the Legislature demanding further medial barriers.

Vision Appears To Pius XII While Ill

VATICAN CITY (AP)—The Vatican announced today that Pope Pius XII saw a vision of Jesus Christ during the most critical moments of his grave illness last winter.

The recovery of the desperately ill pontiff began soon after.

The announcement was made by Luciano Casimiri, chief of the Vatican press office, upon authorization of the papal secretariat of state. The secretariat normally would make such statement only with the personal authorization of the Pope.

Casimiri told newsmen that they could state that "responsible Vatican circles" confirm the report of the vision published last week in Oggi (Today), the largest Italian weekly magazine.

Cargo Ship, Crew Goes Off Course

BOSTON (AP)—The Liberian cargo ship Daytona, with 24 men aboard, was feared lost today in raging seas about 75 miles off Gloucester.

The last word from the 322-foot vessel was at 9 a.m. EST yesterday when her skipper reported the ship was listing badly and taking in water.

Nearly 24 hours later the Coast Guard said: "There has been no further word from the vessel. Continuous search by surface craft has failed to locate the Daytona."

The Coast Guard said that loss of radio contact could mean either that the Daytona had sunk or that she had lost her power. The latter case would throw her ballast pumps out of operation.

The Daytona was loaded with gypsum and was heading from Nova Scotia to Philadelphia.

has been held up pending the commission report.

The governor said in September that the commission was studying the problem and would include in its report a schedule indicating the locations and telling what justification there was for construction at the chosen points.

At that time the governor said he expected to have the report "very soon." However, the report was completed by the turnpike staff and submitted last Tuesday. By the end of the week it was on the way back to the commission.

Turnpike spokesman declined to comment on the governor's action or to disclose any particulars contained in the report.

Sen. Wade (R-Cumberland), chairman of the House Highways Committee which has several barrier construction proposals under consideration, said all action will be delayed until the report matter is cleared up.

Proclamation

WHEREAS the appalling accident rate on public highways is a matter of immediate and serious concern to all citizens; and

WHEREAS nearly 200 national organizations have joined with the President's Committee for Traffic Safety in sponsoring the second nationwide "S-D Day"—Safe Driving Day—Thursday, December 1, and

WHEREAS it has been demonstrated that highway accidents can be reduced when motorists and pedestrians practice safe driving and safe walking;

WHEREAS the purpose of Safe Driving Day is to demonstrate the necessity for year-around public support of sound proven, year-around traffic safety programs;

NOW THEREFORE as Burgess of Gettysburg, I William G. Weaver, designate the first day of December "S-D Day"—Safe Driving Day and urge all citizens to practice safe driving, not only on that day—in daylight dusk and darkness—but every day the year around starting today.

London Derailment Causes 10 Deaths

MILTON, England (AP)—At least 10 persons were dead today and more than 100 injured after derailment of a Wales-to-London excursion train.

A search crew of more than 500 pulled the wreckage apart throughout the night, finding the bodies of nine women and one man.

Inside one of the three smashed coaches the searchers found an unidentified baby girl, only 6 or 8 weeks old. She had escaped with cuts on her head and chin.

More than 30 of the injured were in critical condition.

STOCKS ARE MIXED

NEW YORK (AP)—Prices were mixed today in the stock market and trading was relatively quiet. Price changes were rather narrow. Railroads were out in front of the market today with a few good gains. Coppers were also higher. Chemicals were lower. The rest of the market was steady to mixed.

Want to know how to make garlic bread? Cut a clove of garlic into quarters; stir into half a cup of soft butter. Allow to stand until the butter takes up the garlic flavor. Cut a long loaf of French bread diagonally into thick slices. Do not cut through the bottom of the loaf. Spread the garlic butter generously between the slices and over the top of the bread. Heat in a moderate (350 degrees) oven until hot—about 15 minutes.

BAGHDAD PACT NATIONS HOLD FIRST MEETING

By ALLAN JACKS
BAGHDAD, Iraq (AP)—The first meeting of the five-nation Baghdad defense alliance—called to plan mutual defense against Communist aggression—opened today with an Iraqi pledge to aid any Arab state threatened by Israel.

Premier Nuri Said brought the Arab-Israeli feud into the meeting in his speech of welcome to British Foreign Secretary Harold Macmillan and the Premiers of Iran, Turkey and Pakistan.

Iraq, Nuri Said declared, "will not hesitate to use its resources for the assistance of any Arab state subjected to Israeli aggression in accordance with its obligation under the treaty of collective defense and economic cooperation between the states of the Arab League."

Pact A Month Old
The Baghdad Pact was completed last month with the adherence of Iran. Egyptian opposition has kept Arab nations other than Iraq out of the Western-backed lineup.

Referring to the Arab opposition to the alliance the Iraqi Premier expressed hope that "the day will come when the brother Arab states will realize the great benefits which they have reaped from the existence of the Baghdad Pact."

The United States last week announced its "military and political liaison" with the pact, U.S. Am-

bassadors W. J. Gallman and Adm. John H. Cassady joined the conference as observers after it voted them a formal invitation.

Gallman told the group the United States had announced support for the alliance on several occasions and that the presence of U.S. observers served as further evidence of such support.

Only Turkish Premier Adnan Menderes referred to the pact's aim of establishing a common defense against possible Russian aggression. He did not mention the Soviet Union by name, and quickly passed on to the Palestine issue.

"This pact," he said, "has already taken the most important step toward providing for the security of the Middle East against the danger from the north while

we are thus gradually achieving progressive organization of the Middle East against the northern danger which threatens it. I cannot refrain from mentioning the question of Palestine which worries us all in view of the security and stability of this area."

Arab-Israeli Dispute
He said the pact members all had the "duty to work for an equitable solution of this question."

Iranian Premier Hussein Ala also brought up the Arab-Israeli dispute, saying Iran is prepared to do all possible to cooperate in reaching a just settlement.

Forming a link in a non-Communist security system that virtually circles the world, the pact brings together Turkey, Iraq, Iran and Pakistan along the Soviet

Union's southern border from the Himalayas to the Black Sea. Through Turkey, it connects with the North Atlantic Treaty Organization to the west, and to the east, through Pakistan, with the Southeast Asia Treaty Organization.

Macmillan at the opening session called for economic as well as military cooperation between the members of the pact.

He said the decision of the United States to send observers was welcomed by all members.

M. Dionne Suffers Siege Of Anemia

MONTREAL (AP)—Quintuplet Marie Dionne today was reported seriously ill with pernicious anemia.

The 21-year-old girl, who has been studying for religious orders, was brought here by a nurse last week to Notre Dame L'Esperance Hospital from Quebec City's convent of the Servants of the Blessed Sacrament.

Twelve Die On State Roads Attribute One Fatality To Snow; Two Violent Deaths

By THE ASSOCIATED PRESS
Twelve persons died in Pennsylvania over the weekend as the result of mishaps on the highways. At least one traffic death was attributed to the year's first snowstorm across the state.

Two others died violent deaths, one by asphyxiation and one in a fall down a flight of steps at the Philadelphia terminal of the Reading Co.

Two Philadelphians were killed Sunday night when their car veered out of control shortly after coming off the Benjamin Franklin Bridge from Camden N. J., and rammed into a building. They were identified as Malford Green, 32, whom police said was the driver, and Andrew Funchess, 28, one of his passengers. Four others in the car were injured.

Killed Crossing Street
In Haverford, a suburb of Philadelphia, a woman was killed and her husband seriously injured when a motorist, momentarily blinded by ice that fell against his windshield, struck the couple as they crossed a street Sunday.

Killed was Mrs. Sara Margaret Sachse, 39, Rosemont. Her husband, George, 38, was admitted to Bryn Mawr Hospital.

In Bucks County, Mrs. Mary Doland, 48, was struck and killed Sunday by an auto near her new home in Croyston. She and her husband were about to move into

a self-built home.

Michael Frere, 20, of Pt. Marlon, a St. Vincent College student was killed Sunday when his car collided with another at the intersection of Rts. 22 and 819 near New Alexandria in western Pennsylvania.

Killed On Rt. 860
Michael Slick of Nanty Glo was struck and killed by a car as he walked along Rt. 860 near Blairsville Sunday.

In another Sunday accident James Price, 47, of Philadelphia was killed instantly when his car went out of control and smashed into a utility pole.

Charles J. Walters, 40, of Lansdale, died in a three car collision Saturday a few miles south of Sellersville. State police said Walters' car veered out of the northbound lane of Rt. 309 struck a truck and then another southbound car. His 39-year-old wife, Elva, was injured critically.

Thrown From Milk Truck
Warren Price 26, Philadelphia was thrown from his milk truck under the wheels of an automobile. Price was pronounced dead Saturday at Women's Medical College Hospital. He was an employee of the Oakland Farms Dairy of Phoenixville.

Harry Griffith, 83, Norristown, died in Montgomery Hospital, Norristown, six hours after he was struck by an automobile in Norristown Saturday.

Mrs. Margaret Oelkers, 60, New Braunsfels, Tex., was killed Saturday when she was thrown out of the automobile in which she was riding after it crashed into an abutment on a slippery section of the Pennsylvania Turnpike near the Reading interchange. Physicians at Ephrata Hospital said she suffered a broken neck. Her husband Alfred H. Oelkers, 70, suffered cuts and bruises.

William H. Thomas, 35, an engineer from Baton Rouge, La., was injured fatally Saturday when he fell down a flight of steps at the Philadelphia terminal of the Reading Co.

Mrs. Jan T. McGuire, 30, Luzerne Borough, was asphyxiated Friday night when a gas heater in her bedroom went out as she slept. Police reported she was found dead by her husband Saturday morning.

Albert Bender, 18, Mount Carmel, was killed Friday night when his car skidded off the Harrisburg-Gettysburg road about five miles north of Gettysburg, ran into another car broke off a utility pole and went into a wooded patch.

**Holiday Turkeys
Escape Fire Havoc**
PHILADELPHIA (AP)—Some \$50,000 worth of dressed turkeys, ready for shipment to retail dealers, came through unharmed yesterday when fire raged in three vacant floors above the first floor storage refrigerator of W. MacMillan Co.

The birds were ordered examined by fire Chief George Hink before he permitted them to be shipped.

**Ike's Doc Said He
Avoided Big Profit**
BROOKLINE, Mass. (AP)—Dr. Paul Dudley White, Boston heart specialist, said yesterday with a smile that he could have made a "killing" on the stock market if he had taken advantage of his position as consultant on President Eisenhower's illness.

Dr. White said his first bulletin on the President's condition was estimated to have raised the value of stocks by two billion dollars.

"I took no advantage of that," he told a meeting of the brotherhood of Temple Emeth.

"If I had gone in the morning shaking my head sadly and come out smiling, I could have made money that day."

**Investigate Crash
Of Giant Transport**
TOKYO (AP)—A board of U. S. Air Force officers flew to Iwo Jima today to investigate the crash of a giant C-124 Globemaster that killed 10 of the 11 men aboard.

The four-engine, double-decked transport crashed while taking off from the World War II battle site yesterday after ferrying cargo from Tokyo.

The lone survivor was flown to Japan and hospitalized. The Air Force withheld all names.

**CURTISS-WRIGHT
ATOM RESEARCH
PLANT OPENS UP**
CLEARFIELD, Pa. (AP)—Roy T. Hurley, president of Curtiss-Wright Corp., says a total of 20 million dollars will be spent on the aircraft firm's new research center at nearby Clearfield.

The previously announced figure for the project was 15 million dollars.

Hurley made the disclosure at dedication ceremonies for the center over the weekend.

Located on 55,000 acres, the center is nearing completion on a 55,000-acre tract of land sprawling over parts of Clearfield, Elk and Cameron counties. Two large buildings and five smaller ones have already been built as well as a seven-mile road into the center.

Curtiss-Wright plans to do research in atomic energy for the purpose of developing an atom powered airplane engine.

At flag-raising ceremonies Saturday, Rear Adm. Lewis L. Strauss, chairman of the Atomic Energy Commission, paid tribute to private business for its aid in the development of atomic energy.

He said:

Our position of eminence in the world could not have been achieved nor will it be possible to maintain it without the free enterprise incentive responsible for the plants, laboratories and facilities soon to take form.

As a nation we could not have succeeded in the grim wartime race and beaten our enemies to the building of the bomb without the vitality and ingenuity of American industry. No more can we succeed now in our determination to exploit atomic energy for peaceful purposes unless we have the same competitive resourcefulness which only free enterprise can provide.

Strauss said the AEC has spent about 24 million dollars a year in Pennsylvania for atomic projects, and added that the figure may rise to 39 million next year.

To Employ 7,000
An estimated six to seven thousand persons will be employed at the center when it is in full operation, company officials said.

Some 200 federal state and local government officials toured the project at the flag-raising.

At a news conference before the ceremony, Hurley said hunting on the tract will be permitted during the deer season except in the area right around the installations. Over

two thirds of the land will be open to hunters this year, he said, and the company plans to permit hunting in future years as much as security will allow.

**SUPER CARRIER'S
DRY DOCK BUILT**
CAMDEN, N. J. (AP)—Ground was broken yesterday for a gigantic drydock to hold construction of the Navy's fifth super aircraft carrier of the Forrestal class.

The 60,000-ton vessel is scheduled for launching in about four years.

Sen. Smith (R-NJ) was guest speaker at the ceremonies at the shipyard of the New York Shipbuilding Corp. He hailed construction of the carrier as "further evidence of the determination of the United States to keep the peace from a position of strength."

Smith told a crowd of several thousand visitors who toured the yard earlier in the day that the supercarriers provide a highly mobile base for either defense or offense, as the need may arise.

Ground for the new drydock was broken by William Greenley, the building concern. He has been with oldest active employee of the ship firm 53 years.

The dock is to be 1100 feet in length, one of the largest in the world.

**York Woman Wins
\$25,000 TV Prize**
NEW YORK (AP)—A former Russian infant woman netted \$25,000 in consolation for her losing efforts in a \$100,000 game of wits with Ret. Adm. Chester Nimitz and British Field Marshal Sir Bernard Montgomery.

Mrs. Kyra Petrovskaya Shirk, a World War II officer, answered four parts of a six-part question about the Battle of the Bulge and the battle of the Coral Sea. The question was prepared by Nimitz and Montgomery, who acted as quiz wizzes for the NBC-TV "Big Surprise" quiz show Saturday night.

She had to answer all six parts of the question to win the \$100,000.

Mrs. Shirk married an American in Russia and now lives on a farm at York, Pa.

Russians And Satellites Will Launch Propaganda Drive Against Anti-Reds

By WILLIAM L. RYAN
AP Foreign News Analyst

Anti-Communist efforts of both sides to keep the Geneva spirit breathing a crucial cold war battle is shaping up. It is a long-term propaganda battle between two ways of life — to be fought with political, economic and cultural weapons.

A reconstructed Communist International (Comintern) will wage the fight for the Soviet Union. The Comintern program is based on the premise of a military and diplomatic standoff between the two power blocs. The end of the Geneva conference in complete failure was the signal for the Red campaign to get up steam.

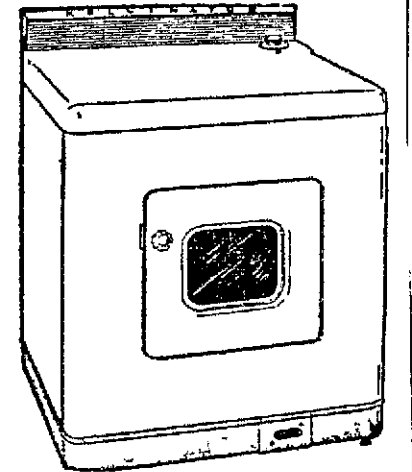

All this seems clear from recent statements of Soviet and satellite propaganda outlets. The campaign appears to have three major facets:

- Three Offensives**
1. A drive to increase Communist influence in all so-called colonial and backward areas.
 2. A stepped-up drive among the working classes in all countries. It is from the working classes that the Communist-dominated World Federation of Trade Unions (WFTU) whose directorate provides a new Communist linking Moscow to parties throughout the world.
 3. A drive for "unity of the left." The Communists in countries like France, Germany and Japan will attempt to woo the far-left elements of Socialist parties into a united front to increase Communist influence.

most power and influence in the parliaments.

Pravda, the Communist party newspaper in Moscow, underscored this program in its review of prospects of communism at the time of the recent celebration of the Russian Revolution anniversary.

The program was elaborated further in statements elsewhere, particularly in France, whose Red party is a bellwether for Western Communists.

While the "peace partisan" movement will be stepped up to demand retention of the "spirit of Geneva," the Communist parties will keep in mind the recent rallying cry of Pravda: "Our century is the century of the victorious march of communism."

Pravda told the Communists this meant continued "strengthening of the might of the Soviet Union and its defense capacities and training of Soviet people in a spirit of vigilance toward the machinations of the enemies of peace." The article directed Communists elsewhere to "quicken the pace of the national liberation movement in the colonies and the activation of the struggle of the working class for its rights in capitalist countries."

SEEK ALLEGED KIDNAPER OF YOUNG BRIDE

WASHINGTON, Pa. (AP) — A 19-year-old bride of a week, missing since last Wednesday, was home today and police were searching for a former suitor charged by the girl's mother with kidnapping.

Attractive Maureen Maga showed up at the home of her parents, Mr and Mrs Joseph McGuane, at nearby McDonald last night. She told her mother she was picked up by Gary Pounds, 22, also of McDonald.

Mrs McGuane swore out a warrant for Pounds, charging he kidnapped the girl. The warrant was issued by Justice of the Peace S. A. Bugay.

Returned To Camp

The young bride's soldier husband, Albert Maga Jr., 28, returned to Camp Rucker, Ala. shortly after they were married last week. He came back to McDonald on emergency furlough after his wife was reported missing.

Pounds, reached at his home last night by telephone before the warrant was issued, said:

"Whatever she said is right."

McDonald police chief Enoch Matthews said he expects Pounds to surrender. He said he will ask the FBI to investigate the case.

The returned bride told her

Nehru Tells Russians He Is In Camp Of Good Will

By HAROLD K. MILKS
NEW DELHI, India (AP) — Prime Minister Nehru told the top leaders of the Soviet Union last night that India is "in no camp and no military alliance." He said the only camp "we should like to be in is the camp of peace and good will."

Soviet Premier Nikolai Bulganin followed with a speech at a state banquet in which he said the Soviet Union has "not lost hopes" as a result of the Big Four foreign ministers' deadlock at their Geneva conference.

Russia, Bulganin said, is "certain that in the end the four powers will succeed in solving the problems which face them."

The Soviet Premier and Communist party boss Nikita S. Khrushchev are heading a Russian delegation on a state visit to India, Burma and Afghanistan.

"Deep Friendship"

The Russians banqueted after visiting the Taj Mahal at Agra, where Khrushchev said the Soviet Union wished to help India become strong industrially "to assure its freedom and independence." On Saturday Bulganin in a speech

called Russia and India "allies" and offered to share Russian experience in atomic energy, industry and electric power.

In his banquet speech, Nehru said there is a deep friendship between India and Russia, but he added:

"We are convinced it is not by military pacts and alliances and by piling up armaments that world peace and security can be attained." The camp of peace and good will, he continued, "should include as many countries as possible and be opposed to none."

Indian Reds were invited for the first time to a state banquet given by Nehru for visiting dignitaries. Three Indian Communist party leaders attended with representatives of all other parties in Parliament.

Bulganin said the Soviet Union wants to lessen international tension and "in the future wishes also to support this policy, no matter what might be the difficulties."

4 MEN, 1 WOMAN ROB AND BEAT 2 MEN IN PHILA.

PHILADELPHIA (AP) — A gang of five robbers, including one woman, stabbed and beat two men in Philadelphia shortly before midnight, then fled in a stolen automobile.

But police captured them in suburban Media.

Roadblocks hastily erected in nearby Delaware County forced the car, carrying the robber suspects, at 80 miles an hour, to crash into a tree.

One of the police cars that blocked the road was struck by the speeding auto, but nobody was hurt.

Near Downtown

Police said the five members of the gang held up and beat Damo R. Ramor, 30, of Haboro, and Charles Hightower, 36, of Camden, N.J. Both incidents — separately staged — occurred in the vicinity of 6th street and Fairmount Avenue, about a dozen blocks from downtown Market street.

Police said Ramor was seized as he walked on the street. He was robbed of \$22 and a wrist watch, beaten about the head and stabbed

with a knife in the back and side. Hightower stopped his car at a red light. With him was a friend, Dorothy Harris, 31, Philadelphia. Police said the gang appeared out of the darkness, surrounded the car and dragged the couple out.

Use Stolen Car

When Hightower and Miss Harris said they had no money, the gang threw the man to the ground, beat him and stabbed him in the side and neck. Then they piled into Hightower's car and sped off.

Patrolman Louis Valentine spotted the car in Clifton Heights, noting it had a New Jersey license in front and a Pennsylvania tag in the rear.

The car sped off when Valentine approached and he radioed the alarm.

The arrested persons identified themselves as Jose D. Cimron, 25, Philadelphia; Jose A. Lucanaris, 23, Trenton, N.J.; Pedro Velasquez, 29; Radmes C. Vega, 28, and Marion Simmons, 22, all of Philadelphia.

All were charged with holdup and robbery at knife point and aggravated assault and battery.

Three Airmen Die In Bridge Accident

CLAYTON, Del. (AP) — An automobile struck a bridge abutment and landed upside down in a small stream near Clayton Saturday night, killed three young enlisted men from Dover (Del.) Air Force Base.

Police said the car apparently went out of control at a curve on a highway about five miles northwest of Clayton.

The dead were identified as Charles F. Hasy, 19, whom police said was the driver, of Oneida, N.Y.; William R. Osborn, 18, of Kirkville, N.Y. and Donald K. Corey, 18, of Chenango Forks, N.Y.

They were members of the 1607th Installation Squadron at the base.

Mt. Charleston today to finish bringing out the bodies of 14 men killed in the crash of an Air Force transport.

Twelve bodies were brought down on horseback last night. Ambulances took them to the Nellis Air Force Base near Las Vegas for identification.

The C34 plane crashed Thursday at the 11,300-foot level as it was en route from Burbank, Calif., to the Nevada atomic testing ground.

In the Spirit of THANKSGIVING

Scrumptious feasting ahead with all these wonderful Thanksgiving foods... Traditional favorites in the spirit of Thanksgiving. Included are ready-for-the-oven turkeys in all sizes. We'll be glad to help you select the right turkey and all the trimmings.

TIPS FOR HOLIDAY GRAVY-MAKING

Favorites in gravy-making tips are:

(1) Use the same amount of turkey or chicken drippings as flour; (2) cool drippings slightly before combining with flour over LOW heat; and (3) blend fat and flour thoroughly — then add Leadway or Page Milk mixed with equal amount of water. You'll get the SMOOTHEST gravy ever.

Giblet Gravy
Combine 1/4 cup turkey drippings with 1/4 cup flour in skillet over low heat. Blend thoroughly; gradually add 1 cup undiluted Leadway or Page Milk mixed with 1 cup water to flour-fat mixture. Stir occasionally until thickened and smooth. Season to taste. Add 1/2 cup cooked chopped turkey giblets just before serving in heated gravy boat.

TREND SWINGS BACK TO OLD BABY METHODS

By DOROTHY V. WHIPPLE, M.D.

"What, use a pacifier?" Mrs. Reardon was shocked. "I thought pacifiers went out with hoop skirts."

Yes, they did go out of style, not so much with hoop skirts as with the ultra-scientific trend in baby feeding. However, in recent years there is a swing back to much that was good in the old ways.

There is a real place for a pacifier, with some babies. Properly used it can be a great help. There are lots of bad things you can do with a pacifier, too, so let's discuss how to use it well.

A baby has an urge to suck. Good old Mother Nature endowed him with this desire to make sure he'd get enough to eat. With most babies we come out even. When they've had enough sucking, they've also had enough to eat.

But with some babies we don't come out even. Some babies have less of an urge to suck than others. Tom was such a baby. He got all the sucking he needed in short order. Then he wouldn't suck any more but he yelled with hunger.

Tom was a bottle fed baby, so we just made the holes in his nipples larger so he could get enough milk before he was tired of sucking. If he'd been a breast fed baby we would have started him on solids or given him more solids if he was already taking some.

Andy Reardon was a baby of the other sort. He had a terrific sucking urge. We had suggested to Mrs. Reardon that she get new nipples with smaller holes so that it would take Andy longer to get his milk. But even when we prolonged the feeding time to 40 minutes Andy still wanted to suck some more. He didn't want any more food, he just wanted to suck.

Solves Own Problem
Andy solved his own little problem by finding his thumb to suck on. His mother wasn't too pleased with this so I suggested she give Andy a pacifier immediately after he finished taking his milk.

Lwr Andy get all the sucking he

wants while he is a baby. If he satisfies his sucking needs on a pacifier, it will eventually disappear when he reaches the weaning stage and he will stop sucking because he has grown up to be old enough not to need it any longer. If Andy finishes up his sucking on his thumb, the thumb doesn't disappear, and Andy is apt to go back to his thumb when he wants a little extra comfort.

A little thumb-sucking that continues on into childhood doesn't really matter very much, but if we can avoid it by supplying some thing else to suck on, mothers are often happier.

Use It Thoughtfully
If you're going to use a pacifier, give it to your baby immediately after a meal. Let him finish up that sucking urge. Don't pop it into his mouth every time he cries. If you do this you're teaching him that sucking is the way to comfort. After this lesson is learned he's pretty apt to go after his thumb anytime he needs com-

fort for years to come.

Also if you use a pacifier, keep it clean. If it falls on the floor, wash it before you give it back. If it falls in the street, boil it before the baby gets it again.

A baby with a big sucking urge may find his thumb no matter what you do. Never mind, it's better for him to get all the sucking he needs while he's a baby.

Don't Spare Affection
Make sure that any baby who wants to suck a lot gets plenty of loving care. Always pick him up to feed him, cuddle him, talk to him, tell him you think he's wonderful. Be sure he doesn't need to suck for comfort.

Let him have a pacifier after meals and some thumb too, if he wants it. He'll outgrow them both in time.

GREECE'S FIRST LADY BRIGHTENS POLITICAL SCENE

By VASSO MINGOS
ATHENS (AP)—The new First Lady of Greece is a glamor girl. Amalia Karamanlis, 27, became "Mrs. President" when her husband, Public Works Minister Constantine Karamanlis, recently assumed the premiership vacated by the death of Marshal Papagos.

Needless to say, the Greeks are charmed with the beauty of the new Premier's wife, who ranks next to the Queen.

Although she has remained out of the spotlight up to now, Mrs. Karamanlis has the poise and assurance of one long accustomed to a family of politicians. She is a grand-niece of Demetrius Gounaris, former Greek Premier who was executed by a revolutionary junta in 1922. Her uncle, Panayotis Canellopoulas, was deputy premier and defense minister in the cabinet of the late Marshal Papagos.

Raised In Political Atmosphere
In her first interview after her

husband's rise to power, "Mrs. President" said:

"I am very proud for my husband's sake. But to me personally it makes no difference, since I come from a family of politicians."

The Karamanlis home is a five-room flat in an Athens apartment building, and they intend to remain there. Mrs. Karamanlis says she plans to continue her activities as treasurer of a welfare organization which she describes as "a Greek counterpart of the Junior League." Her housewifely duties, she believes, will take up the rest of her time.

Has A Princely Husband

The beautiful First Lady thinks of her tall, dark and handsome husband as a Prince Charming, adding: "Actually he exceeds that idea by far."

She likes American movies, specifying:

"My preference goes to westerns, gangster films and other such thrillers. I shun dramas and realistic films. There is enough drama in our lives in the daytime. Why fill our nights with it?"

The favorite hobby of the new First Lady, however, is reading. She says:

"I own something like 1,000 books acquired through the years, since my childhood days. Most are by modern authors. I didn't have to buy any of

the classics and books about art. I could borrow those from my father's library, which numbers 20,000 volumes."

"Mrs. President" speaks English, French and German. With her husband, she has traveled almost all over the world, but has never visited the United States.

"My one dream is to visit the States some day."

Makes Hobby Of Jungle Dwellers

IMMOKALEE, Fla. (AP)—Ollie Hancock captures poisonous snakes for excitement and wild orchids for pleasure during his spare time.

Although the hobbies sound poles apart, he explains that he can do both at once, because the reptiles and flowers are found in the same jungle-like woods in this area.

ONE OF A KIND

NEWPORT NEWS, Va. (AP)—A well dressed stranger stepped into police headquarters and asked if there were any prisoners serving terms because they could not pay fines. The answer was yes.

He asked the desk lieutenant to pick out one at random. The stranger paid the prisoner's fine and departed. The bailor and the bailed did not meet.

Police Lieutenant J. P. Farry said the incident was the only one of its kind in his 23 years of experience.

CHICKENS LEAVE CLUE

HOBES, N. M. (AP)—When Jack Jackson reported chicken thieves had raided his hen house, an officer was assigned to investigate. His report read: "Found feathers. Unable to locate any chickens to go with same."

Holiday-ers Flock To Kashmir Valley

SRINAGAR, Kashmir (AP)—Kashmir, despite political unrest and the unsettled Indian-Pakistan dispute for its control, is still India's top tourist attraction. A record 40,000 tourists visited Kashmir valley last season. There were only 1,480 foreigners, the rest Indians.

It has been the Queen of summer resorts in India for 40 years. It was first discovered by the Moghul emperors. The British preferred nearby, easily-accessible Simla, 200 miles north of Delhi, for their summer capital; but went to Srinagar for a real holiday.

More than 22,000 vessels a year go through the Sault Ste. Marie locks on the Great Lakes every year.

Plenty of EXTRA in this SPECIAL

The 1956 Buick SPECIAL 4 Door Riviera

THIS ONE is the news-maker that's front-page big.

This one is the new Buick SPECIAL for 1956—the biggest bundle of high-powered energy and high-fashion luxury ever offered in Buick's lowest-priced Series.

Just a quick listing of some certain facts will give you the picture.

First—its engine is a big new 322-cubic-inch V8 engine with an all-time high in horsepower for this Series—and an engine that hits the record book at a neat 8.9 to 1 compression ratio.

Second—its getaway—with the double-action take-off of the new Variable Pitch Dynaflo*—is spectacular even at only part throttle—and comes with a new boost in gas mileage to boot.

Third—on ride, this new SPECIAL is more than great—what with all-coil springing, and torque-tube stability, and a new deep-oil cushioning, and a whole new front-end geometry that adds a wonderful "sense of direction" to the car's travel.

Fourth—on room, luxury, interior finish—there's never been a Buick SPECIAL like this before. From the big, broad seats to the stunning new instrument panel—there's new decorator smartness and quality throughout.

But get the picture on price, and you have the biggest reason why this sizable automobile is so extra special a buy.

For this Buick comes to you at a figure so close to those of the most widely known smaller cars, the difference in price is small change.

So—come in and see and sample this beauty. You'll find it, we firmly believe, the biggest package of automobile at anywhere near its budget price.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.
